

Privacy Policy

In order to make the process of transaction easy and secure, we may ask you to share your personal information with us. We may use various ways in the process of collecting your personal identification details before you place an order through our site. Users are allowed to use our site for browsing and purchasing our products by becoming a registered member of our site. This will require information like accurate name, mailing address, email address and valid phone number. We collect personal identification details of the users who are ready to share such details with us. Users are allowed to refuse to share personal details unless it restricts them to access any particular

Sharing Non-Personal Information

In order to make the process of interaction and transaction safe and secure, we often need non-personal information of the users. These include the name of the browser, device details, operating system, web service provider and many other similar details.

Browser Cookies

We often use browser cookies to make your browsing experience better. Your web browser creates and stores cookies on your computer. This helps us to access some non-personal information if the user allows us to access cookies. However, users can stop their browser from storing cookies. Some part of our site may not function properly if the browser does not store cookies.

Why We Need Your Information ?

The collected personal and non-personal information are used for the following purposes: • In order to operate our site, we need users' information content on the site precisely • Users' personal and non-personal information help us to respond more efficiently. • We often utilize users' information to personalize their experience by understanding how they are using the content and resources of our site. • Users' feedback is important to us, as we use them to improve our products and services. • We often run a promotional campaign, survey, content and many other features at our site and we use the users' information to let them know about these kinds of promotions and features. • We require the email address of the users so that we can inform them about the updates related to their order. Users' details also help us to respond to their queries effectively.

We Are Obligated to Protect Your Information

We are obliged to protect your valuable information from any kind of unauthorized access. We have adopted a secured data collection and processing measure. Our secure system collects,

stores, processes your information including username and password correctly, and protects them from any unauthorized access, distribution and destruction.
